7. Do you have a brochure or business card that may help give the designers a better visual for your header design? If so, please email to customerservice@Hmeproviders.com.

If you have any other ideas, feel free to sketch on a sheet of paper and fax over to us.

The more information you can provide, the better the chances you will like the site we design.

After our designers have completed your header you will be notified by fax, e-mail, or phone. At that time you will have 3 days to submit any changes to us before the header is uploaded to your live site. After your header design has been uploaded we will have to charge a small fee for any changes you request.

Thanks for your attention in this matter.
